

Learn how to pack laboratory and pilot scale columns - merging theory as well as practice.

Contents and learning objectives

- Packing methods - how to achieve optimal packing results
- How you determine column efficiency
- What you can learn from column performance evaluation results
- Hands-on experience – pack your own column

You decide on the location!

We will be happy to welcome you to a seminar at our European headquarter in Dinslaken (close to Düsseldorf).

- You can't attend a seminar at our site?
- You want a group of your colleagues to benefit from our seminars?
- You expect a specific seminar tailored to your needs?

Of course, you can also book a seminar at your site!

Your benefits:

- Topics and duration according to your specific requirements
- Date and location by choice
- Flexible number of attendees
- Fixed costs
